

SpinOne

All-in-One Multi-Tenant Platform for MSPs

Get automated SaaS data monitoring and protection for Microsoft Office 365, Google Workspace, Teams, Salesforce, and Slack designed for Managed Service Providers.

SSPM

SaaS Security Posture Management

- Get full visibility and fast incident response for unsanctioned apps and browser extension
- Reduce risk assessment time from weeks manually to seconds automatically

SaaS RDR

Ransomware Detection & Response

- Reduce business downtime from 1 month to less than 2 hours
- Reduce recovery costs by over 90%

SaaS DLP

Data Leak Prevention & Data Loss Protection

- Improve compliance with automated protection
- Reduce security issues by 95% in minutes

SaaS Backup

Backup & Recovery

- Increase compliance with automated, 1x or 3x daily backups for your SaaS data
- Reduce downtime with fast data recovery that takes minutes, not weeks

Defend SaaS data from the risk of:

Shadow IT

Data Leak

Data Loss

Insider Threat

Ransomware Downtime

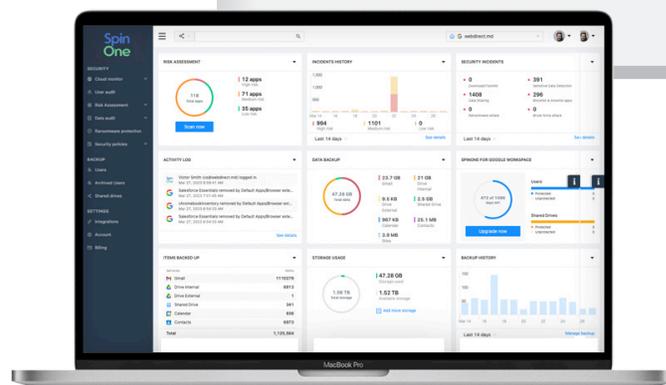

Non-Compliance

Third-Party Risk

Misconfigurations

Why Partner?

- Add stickiness on every Microsoft 365 / Google Workspace seat sold
- Increase ARPU by breaking into untapped markets
- Generate monthly recurring revenue
- Single pane of glass control panel
- Aggressive margins, easy subscription-based pricing
- Industry-leading 98% customer retention rate
- Solutions extensibility with flexible API support for integration and automation
- Zero infrastructure to maintain
- Attach risk and compliance professional services to your offering

Flexible Pricing Model Built for MSPs

- Cloud storage on Azure, AWS, GCP — or bring your own Cloud
- Simple price per user, per month
- Low cost to implement, low cost to maintain
- No minimum purchases
- No setup fees
- Agentless download
- Increased professional and managed service revenue
- Attach risk and compliance professional services to your offering

All-in-One Multi-Tenant Platform

Easily deploy, manage, and monitor SaaS security solutions for your customers to ensure rapid time-to-value, low cost to implement and maintain, and the fastest SLA on the market.

Rapid Time-to-Value

Accelerate time-to-value with our intuitive, user-friendly platform: takes minutes to deploy, and automate, and is easy to use.

Strong Margins & Deal Registration

Quickly enter untapped markets and create incremental revenue streams.

Professional Services Opportunities

Design and deliver professional services and managed services offerings that meet client needs and create new opportunities.
